

DAREBIN MUSIC FEAST – HOW DO I GET THERE?

Information to help you plan your journey

Plenty of public transport is available to help you get to our gigs, including trains, trams and buses. Many of our venues are on High St and the iconic 86 tram runs along this route.

You can use the **PTV App** to access real-time public transport information and timetables: <https://www.ptv.vic.gov.au/getting-around/mobile-apps/>

If you're keen to ride your bike, the **Northern Pipe Trail** (formerly known as the St Georges Rd shared path) is an off-road path for walkers and bike-riders that runs from Westgarth in the South to Reservoir in the North. It is located approx 700m west of High St.

Our **Shimmy Bike Routes** are also a great way to get around by bike, as they follow quiet back streets. They have dedicated signs and bike symbols showing which way to go. Check out this link for details: <https://goo.gl/qdYC1n>

You can also download a comprehensive **TravelSmart Map** from the City of Darebin: www.darebin.vic.gov.au/travelsmartmap. Or you can pick up your own glossy, printed copy from one of our libraries or customer service centres.

Please note: Street parking is extremely limited within inner city suburbs, so we encourage you leave your car at home.

Venues
